

Section 1

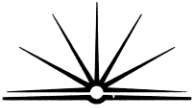

Q1. Text One

a) Paul Smith's choice of career is sky surfing, which is a ~~very~~ dangerous ^{sport}, suggested by the word "suicidal" thus, many people consider such ~~can~~ choice of career is "incredibly stupid"

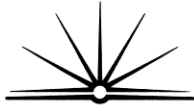

b

b) Paul ~~expresses~~ holds a unique perspective towards the sport, He perceives the sport is safe as he felt it's safer in the air, and on the other ~~side~~ ^{hand}, his perspective is that: in reality, such sport can go wrong, thus, Smith acknowledge the "danger" element in the sport.

c) The capital words "THUD" and "SPLAT" is eye catching and these two words have particular sounds associated with them, thus, helps to engage ~~reader~~ the readers. Moreover, ~~also~~ these two words are short, but able to convey lots of meanings, and add ~~humorous~~ humorous tone to the article.

language are used in
d) Various techniques ~~the~~ the article help it to engage the reader. ~~The~~ Direct quotes from the peoples such as "Let's do it again," and "I feel more frightened being in a car" gives the article a more realistic feeling and gives ~~it~~ credibility. The uses of words such as "THUD" and "SPLAT" as well as "down-to-earth" gives the article a more light-hearted and ~~humor~~ humorous tones, thus, helps to keep the reader interested. The title it self is eye-catching, the phrase "Hey you" is very effective in grabbing the reader's interest, because it is very direct and force full. Ultimately, the over all language is informal, which ~~it~~ enhances the entertaining feature of the article. Thus helps to engage the readers.

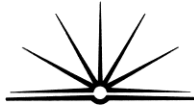

text 2.

e) The purpose of text 2 is to ~~to~~ promote and advertise the activity of the climb of the Sydney Harbour Bridge.

text 3

f. The quote by "American Movie" on the film "Cliffhanger" ^{gives} gives a very intense and exciting comment of the film, "heart-thumping", "throat-tightening" are all the ~~expressions~~ symbols of ~~total~~ excitement and an very intense experience, thus, the comment presented a very vivid, ~~intense~~ and exciting perspective towards the film.

g. Text 2 and text 3 are obviously in different forms, one is a internet web page page and another one is a possibly promotion poster, two images used in each text are in different moods, one is relaxing and the other is ~~intense~~ intense. The language used in each text is also different, while text 2 uses mainly Charming and attractive words.

such as "breath taking" while text 3, the
texts are formal and mainly to present information.
Ultimately, the lay out are also different,
while text 2 is on the internet and text 3
is only a hard copy, thus, they will appear
in different places.

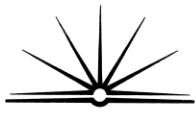

Text on, two, three.

Dear Editor:

As you may already noticed that the
population which devoted to adventure activities
is growing exponentially, as more and more people
took a new view towards life and leisure.
My opinion is: that we should definitely

encourage such ~~phenomena~~ activities, as as
these activities marks the advancement in
the preceptions towards life by today's peoples.
So, I suggest new papers should helps to
encourage and promote real activities.

Your Faithfully.
