

What is perspectives? Perspectives is different point of view and every one would have different point of view by different ^{life} experiences, ~~so culture~~ ~~background~~ background and personality would make every one have their own perspective appear on the same thing, that can be different or ^{can be} the same. The following would basic talking the ~~the~~ ~~of~~ different influence to change or appear the different perspective ~~of~~ from the example of different text :- Novel - Only the Heart by Brian Caswell & David Phu An Chiem
- Media - Through Australian Eyes by William Fitzwater,
- National pictorial
and
- plan ~~the~~ city - novel

By different life experience would make up the different perspective. Would a 4 years old kid have the same point of view to an old lady? From the everyday life, there are so ~~many~~ many things happened, and every thing that can be small or big but it all influence a person's life, mind and their perspective. As from OTH (Only the Heart) the girl ~~a~~ Phuong, ~~she~~ she become dislike her-self after missing her mother ~~that~~, maybe before she is not a very happy girl, but after missing her mother she hate her-self, ~~so~~ even thing of ~~at~~ ~~that~~ death when she was in the fire in the camp, she didn't want to survive because she have a very negative perspective to her self so she didn't have any mind to ~~save~~ save herself. The novel plan city,

the mean ~~ea~~ character is a young girl,
she think that every one doesn't like
her, so she didn't like her-self as
well, so when they have fright
