

Question 20 (5 marks)

Describe the role of WorkCover NSW in relation to the automotive industry.

5

WorkCover NSW is the enforcing body of NSW Occupational Health and Safety regulations. WorkCover is designed to educate employers and employees of their rights and responsibilities with regards to OHS and creating a safe workplace. WorkCover may also provide punishment or legal action against an employer or employee who breaches these regulations. Similarly they may provide legal advice to an employee injured at the workplace. Also WorkCover, through liaising, help provide pathways for an injured employee to re-enter the work force.
