

Section 2

Question 2.

Dear Mrs Mitchel.

Thankyou so much for your song 'Big Yellow Taxi', they have inspired me to start a petition in order to establish an organic vegetable garden on vacant land two block down from my apartment building. I have a great love of nature as you appear to have in the lyrics of this song. Before my father started working as a salesman in order to make more money for our family we lived out on a farm surrounded by nature. My mother participated in ~~ex~~ protests against the use of DDT and we only ate ~~organically~~ organically grown fruit and vegetables. Now that I live in the city I feel as though ~~le~~ have lost my connection with nature and your song has inspired me to fight to get it back, not only for myself but for everyone else in this city who has

never been ~~fast~~ fortunate enough to have a
connection with nature. Your lyrics appear to
~~ring~~ ring true for me because I truly didn't
recognise what I had until it was gone.

Thanks again, ^{sincerely} ~~sincerely~~ ~~sincerely~~
