

Q1a

one of this differences that the girls notice in Melbourne is that the student teachers relationships are less formal the uniforms are more casual than the strict formality.

B Q1B

in Day 6 the girl said that she really enjoy which it was only one day but then after she ask her self a question that if she would do that every weekend by said that she refers that she might ~~did~~ have fun but she wouldn't be 100% sure if she will do this every weekend.

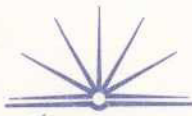

Q1c

The writer use a lot of direct quotation and one of them is that how the aboriginal have been accessed ~~as~~ and the way how Aborigines aren't stolen generation but a forgotten one and also how the aborigin wouldn't hate white people which hate only makes you sick inside, and all this quotation is to compare the differences that the aborigin are differen kind of person or blood.

Q1d

One of the perspective that the girl mention is that during the trip they only knew a bit of and after that they aska her self how once she only knew about and know she knows a lot but she also ment that it isn't the last time that she will visit the kimbeleys.

Q1E

I compare the differences but between day 7 and day 23 and its the perspective are very change-able but it also sound the same but with a different point of view like aboriginals, poverty, alcohol and the childrens with ~~the~~ their family around them and one of the language that is used is how the aboriginal people are often painted with the same brush and thats how the change of language reflects on ~~the~~ ~~written~~ day 23.
