(a) What are the land uses found along the transect from Auckland to Wellington?

2

Little or limited use, Extensive livestock & Dairying

Question 16 continues on page 11

Question 16 (continued)

- (b) Account for the distribution of agricultural land use in the South Island of New Zealand. 4

Agriculture appears to be distributed along the eastern half of the island. This is due to the factors of Rainfall & altitude as the west coast is too high & wet for most types of agriculture.
