Attempt Questions 16–19

Allow about 45 minutes for this section

Use the Stimulus Booklet and your knowledge of geography to answer Questions 16–19 in the spaces provided.

Marks

Question 16 (6 marks)

Refer to Source C.

Using evidence from the photographs, identify ONE challenge of living in mega cities in the developing world and describe TWO responses to this challenge.

6

(Photo 3) One of the challenges to mega cities is the lack of water to the cities population, especially the poorer sectors of the city.

Responses to this challenge may include better access to water, through supplies or pumps to other water sources, as well as better management strategies to preserve water and make sure every body has enough.
