Question 22 (continued)

- (c) How do population growth and associated urban sprawl affect the provision of both social services and infrastructure? Refer to a large city you have studied.

6 !

Population growth & urban sprawl in Sydney affect cultures & social services. Urban sprawl can affect families that have a house in a quite neighbourhood then it could turn it into a factory due to growth of a city. Sydney has sprawled right out to the Blue Mountains, so urban renewal comes into when old building can be transformed into multimillion dollar apartment just like Perimont. High rise buildings are being built to house people closer to the city & the transport is getting bigger.
