Question 23 (continued)

- (b) 'Local economic enterprises can no longer operate in isolation. Linkages and flows change significantly over time.'

8

Discuss this statement in relation to a local economic enterprise you have studied.

Local Dairy Farming now needs to be a part of the linkages through the import and export markets.

Big companies such as Coles and Woolworths buy big brand milk and sell it cheap in comparison to buying local brand milk and making it expensive.

This has major effects on the local economy and farmers, negative effects that include little wage and loss of work.
