~~The present history now, is~~

Today no one can say exactly the type of person <sup>(good one bad)</sup> and <sup>the type of</sup> work Speer did, ~~to~~ with the Nazi party, except that he was a part of it, even though before he died he declined any accusations.

History presents us with a balanced interpretation of ~~the~~ Speer.

Speer did many great things for Germany during his time.

Many famous buildings and architecture ~~their~~ work were designed by Speer, which gives Germany something good to enjoy in the present day today, after a long and terrible war, and after the Holocaust. Speer also designed buildings famous around the world today, where he is known as a famous

German architecture -

Although Speer had good intentions with the architecture building designs, the position he was in with Hitler and being a part of the Nazi party made him to part of the world as a ~~bad~~ 'Nazi' - anti-semitic. As he is known for his great design skills he is known for being a Nazi member and being close with Hitler.

Speer is remembered as bad and good for Germany balancing out although he had power to stop Hitler from sending the people to concentration camps he stood back and did nothing.

Speer was a good for Germany after his death and ~~was~~ during his time ~~he~~ followed Hitler and watched as millions of ~~good people~~ ~~people~~ of people were killed at the concentration camps.
