

Question 3 (6 marks)

Name ONE theory of social change ... modernisation

With reference to a country you have studied, evaluate how your chosen theory of social change helps you to understand ONE feature of continuity and ONE feature of change within that country.

In South Africa changes have occurred ~~politically~~ socially as the abolishment of Apartheid in 1994 this change has created new empowered groups politically. For example ANC. It has also lead to change in the 'black' african ability to ~~access~~ have more opportunity and access to facilities.

The continuities in South Africa is that segregation still occurs on racial lines. For example ~~women~~ the 'white' South Africans are discriminated against in Zimbabwe as ~~they~~ they were force off their farms and fled.

Although it was ~~the other~~ this occurred to black south africans once it mean segregation, like ~~pre~~ prejudices, and vilification occurs.
