Question 1 (6 marks)

(a) Define *micro world*.

1

The micro world is the environment that we associate with everyday, eg: The home environment, the school environment

(b) Define *macro world*.

1

The macro world is much larger scale than Micro, It is the Governments of the world, the large corporations, the Internet, that teach and guide the Micro world.

(c) Describe how you experience continuity and change in EITHER your micro world OR your macro world.

4

I have experienced continuity and change in my micro-world through returning to school to complete my HSC. When I left previously 6 years ago we were not able to access the Internet on school computers for information.

Although teachers still continue to teach basically the same as they did when I left school and the class time is exactly the same, There has been change in the way we are able to access information at the touch of a button through Cyber technology.
