

- 11 Assess the impact that ONE change has had on ONE tradition in a country you have studied.

6

In Afghanistan people were treated quite fairly but after the war came, ~~the~~ the men started to look down on females. They would abuse and hurt the women in any kind of way for no reason. Women in Afghanistan are treated very poorly and some women gets beheaded for adultery to make money and feed her family.

Everyday in Afghanistan is like a war zone for ~~the~~ females.

People were not aloud to have technology as well.

Modernisation has not occur in Afghanistan yet, but once they let go of culture and start developing in technology, their world will get much better.
