QUESTION 13 - BELIEF SYSTEMS

(c.) Judaism is a calm and sensible belief system in this century. It is studied by a lot of people all over the world.

Judaism has a close connection with peace as Buddhists ~~are~~ never resort to violence. Buddhists study and pray a lot, so there is no time to focus on bad energy.

Buddhists ~~to~~ socialise within the temple and so conflict in the world would have to be brought in.

~~Therefore~~

So the relationship ~~to~~ with peace and conflict in the world is depending on the source of information and of the purity within the temple.

Judaism is studied across the globe and the teachings that are taught are monitored by fellow monks and followers that are within the temple.
