(c) The Hajj is a religious practice that every muslim should carry out at least once in their life.

Hajje is a pilgrimage to a place where they carry out religious practices & tasks.

Before you leave for Hajje their are things that you need to finalise. All outstanding debts are to be paid of, all wrongs

must be corrected & there must be enough financial support to support your family while your gone. Hajje is very expensive

that why not all people can afford to make the pilgrimage.

At the pilgrimage you learn the history of Islam & you are taught about Mohammed.

Hajje is a religious pilgrimage.
