

b.) What if you were susceptible to it
and you were selling your riches and
assets, if you were sitting here, a freedman
of theirs was lead to you, of whom they
came with the goods, beware, by the imortal
gods, judges, there is nothing worse and.

more cruel than to see yourself on the

proscription list. Who is able to capture

arms, which having been done to them,

her previously, however, a senator does

not suspect, ^{having compared} not which is more fierce,

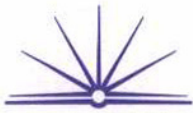

than of bigger sorrow, the public

decision made seemed: this truth, which

to his freedom and to those sleeping

boys and babies persists, without this

can't from your judgement handed down

look, by the immortal gods, whom you

will fawn about in republic place.
