

Q But if you believe this suspicion & hope to help in this business, if you are sitting here so that the children of the proscribed may be brought before you those ~~can~~ whose property has been sold may be brought before you, by the immortal gods, gentlemen. be careful that ^{you do not start} a much more cruel proscription.

Firstly, for those, who were able to ~~se~~ take arms themselves, however [✓] still the senate refused to support, in case a much more horrible thing was seen to have the support of the public council! This matter, which will affect, those

children & their infant children in their cradles,

~~either~~ unless this court speaks & rejects them, do

you see, by the immortal gods, what a position

the state of the republic will be brought.
