

(b) For is you support that ~~case~~ cause, & you declare your efforts to that matter, if that is why you are sitting here, ^{so} that the children of ~~to~~ they whose goods have been sold are led before you, by immortal gods, gentlemen of the duty, beware, lest a new & much more cruel proscription seems to have been started by you. That first

one, which was ~~re~~ directed at those who are
able to take up arms, ~~not with standing~~
^{nevertheless}
the senate ~~and~~ did not want to support it, lest
an act more cruel than that ordained by
our ancestors, seemed [to be started] by
the public council (senate); but this one,
which is directed ~~at~~ ~~the~~ the children
of the proscribed & their infants in their
cradles, unless you reject it & spurn it
with your verdict, ~~to~~ by immortal gods, & consider
into what state you ^{think} ~~will~~ the republic will come.
