

b.) In short, Roman citizens, since ~~they~~

~~have harmed me~~ these four types of

men have so often harmed me,

they were ~~not~~ enemies to me:

~~one~~ one of them, qui (thinks that) I

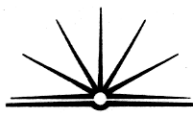

hate the republic, ~~which~~ that

I had saved it with those unwilling

intentions, ~~they were enemies to me,~~

Another ^{of those men}, who through pretence of

friendship abominably attacked me

a third, who, when on account of

his lack of ~~ability~~ that laziness of his

could not carry his deed through,

they ~~hated~~ ^{envied} my praise and dignity,

a fourth, who when ^{they had to be} the guards

of the republic, injured my

safety, the constitution of the state,

his dignity of the order,

because ~~they were~~ ^{they were} in ^{the} possession of

those things themselves.
