

Question 20 (5 marks)

Describe the role of WorkCover NSW in relation to the automotive industry.

5

Is the body who is responsible for the workers in a workplace to make sure that they are safe and make sure that the workplace is up to the requirements of the standards. They have to check each workplace at random times throughout the year to make sure that there is no issues with these premises. If they find there to be any issues they must issue the company with a fine and possibly shut the company down until the problem has been fixed and inspected again to make sure it has been fixed accordingly.
